## Inspiring Children in Sport

Sports Coaching Specialists ("SCS") is the largest independent children's coaching company of its kind in Essex. We successfully deliver hundreds of PPA Cover and after school sporting activities for kids every month. SCS support teachers in their PPA Cover, and also provide parents with an invaluable service before, during and after school, we also host a wide range of after school sports, training days and our exclusive holiday camps during holiday periods. Sports Coaching Specialists work closely with schools across East Anglia to inspire children to live a healthy, fit and fun life.

The Sports Coaching Specialists team are all National Governing Body qualified and hold industry leading insurance, liability and safeguarding certification plus have all been DBS checked. We believe in nurturing and developing talent, supporting those wanting to gain additional qualifications and skills in the work place, our team work with staff guiding them towards the management side of the company, thus fulfilling career pathways for exceptional staff.

Since the formation of the company in 2011 SCS have grown rapidly, building strong relations with a number of schools across the Essex and Suffolk region. SCS prides itself in its ultimate unique selling point which is the level of coaching quality in each core sport. Within the SCS team there are coaches who specialise in a wide variety of sports.

### Specialised Sports

We offer a range of specialised sports with our PE department. These specialised sports include:

**Archery • Fencing • Curling • Futsal • Boxing**

### PE Curriculum

We cover PPA cover and fulfil the individual curriculum requirements. We will support the schools current curriculum or can supply our very own version.

### Community Work

At Sports Coaching Specialists we strive to work closely within the community and offer a wide range of services and activities.

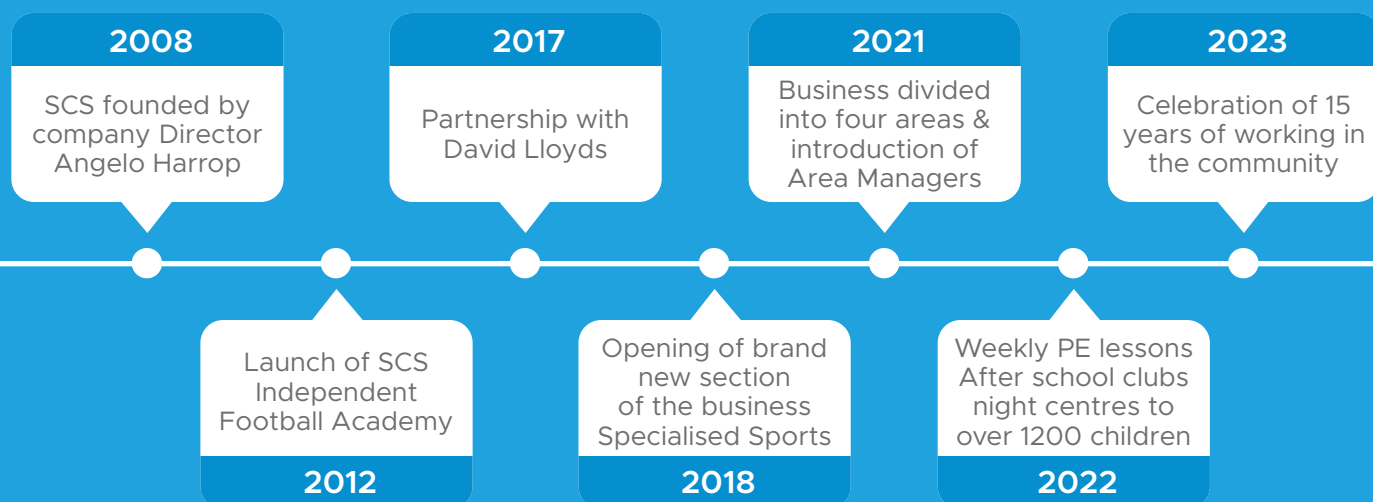

### Efficiency

The services we provide are efficient and cost effective. We provide support within our schools not just throughout our PE but with the day to day ongoings and challenges.

# The SCS Journey

## Inspiring Children in Sport

"I just wanted to say how fabulous Scott and Jake are with our children. Their sessions are great, but they also immerse themselves in everything we do in school on the days that they are in. Scott chose a book and read to our children as part of a secret reader activity during book week and Jake has spent time with children in our enhanced provision, having lunch with them. Some of our children that struggle in class can often be found helping pump balls up etc! This all makes a huge difference to our children as relationships are so important to them and are key to their engagement. I'm really pleased that we managed to get SCS into our school."

# Sports Camps & Development Centres

SCS Holiday Sports Camps are designed to give children of all abilities as much enjoyment as possible whilst playing in a safe environment. Children that attend the camps are aged between 4 - 14 years of age.

Our SCS holiday camps take place throughout North Essex and run during school holidays.

We provide the children with activities such as Football, Archery, Fencing, Curling and lots of other exciting experiences.

SCS Development Centres provide opportunities for children wanting to improve and be challenged further within a specific sport.

When delivering PE provision/After school clubs in schools we will carefully select children to attend these centres for further development.

It's also a great opportunity for young children to gain more confidence, meet new friends and be challenged further.

These activities are led by our team of inspiring staff, all of whom have gone through rigorous training to ensure every child is safe, happy and well looked after.

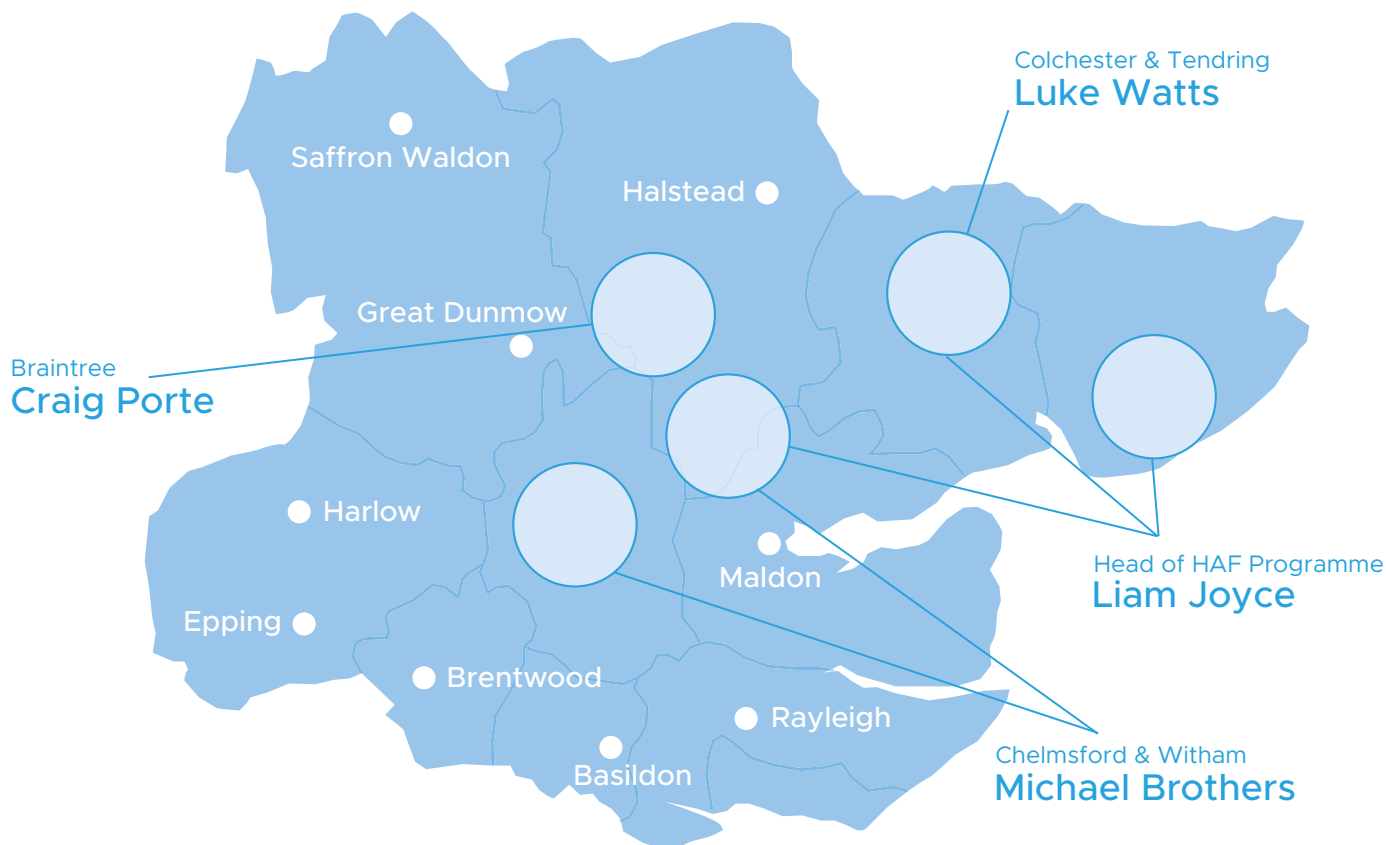

“SCS and Angelo have been extremely professional, enthusiastic and reliable at Camulos Academy. They have provided a high-quality service in a range of after-school clubs at our school, ensuring pupils develop their agility, coordination and tactical knowledge while promoting sportsmanship and confidence among pupils. I highly recommend SCS and Angelo to other schools without any hesitation for their brilliant service.”

Chelmsford & Witham  
**Michael Brothers**

Michael has over 17 years of experience delivering PE provision to primary and secondary schools, during his time at the Harwich senior school he was involved in the setting up of the Pe curriculum making sure the delivery and planning was of the highest standard.

He's also an expert on staff performance, company culture and ensuring individuals reach their potential. In 2021 he set up the apprenticeship programme which has gone from strength to strength.

“We have been working with SCS for several years now and find all the coaches to be professional, engaging, caring and knowledgeable about their subject and our children. During the pandemic SCS were a lifeline for us, helping to keep the school open. SCS have covered staff at short notice and are part of the school team. They have gone above and beyond for our children allow all children to thrive. There is a genuine desire to want to work with the school and keep a strong partnership going. I would highly recommend SCS.”
